

Amendments To The Seniors Competition Rules

During recent weeks there has been some confusion and unrest within the Seniors section of the club. The following changes and clarifications have therefore been put in place with immediate effect.

1. On the Tuesday 13th April the seniors played on temporary greens due to frosty conditions and in the spirit of fun played with full handicap allowance. The effect of this was to give inflated scores which could impact the overall result at the end of the season, therefore these scores will be erased from the league table and handicaps re-adjusted. The prize money awarded and collected will still stand.
2. To facilitate the use of GPS for handicap purposes the seniors will play from the yellow tees on all holes.
3. Scores should be entered on the draw sheet on the noticeboard for collection by the Administrator. Names should be entered on the entry sheet for the following week. Fees should be put in an envelope with your name on and posted in the honesty box.
4. All suggestions and grievances should be directed towards the Administrator at secretary@carrbridgegolf.co.uk

Thank you for your consideration in this matter.
